

Audition Lyrics For
Way Down Yonder To The Hollow Tree

Ooo Ooo gonna go.
Ooo Ooo come with me.
Ooo Ooo gonna go
Way down yonder to the hollow tree.

See the birds up in the air
Way down yonder to the hollow tree.
They haven't a worry, haven't a care.
Way down yonder to the hollow tree.

Ooo Ooo gonna go.
Ooo Ooo come with me.
Ooo Ooo gonna go
Way down yonder to the hollow tree.

Hey, all you creatures look and see!
Way down yonder to the hollow tree.
Don't you think the fairies look just like me?
Way down yonder to the hollow tree.

Ooo Ooo gonna go.
Ooo Ooo come with me.
Ooo Ooo gonna go
Way down yonder to the hollow tree.
