

MUSIC CUE # 20 *Feed the Dragon*

(The Villagers grab Squiffy, tie him to the chair and put a gag on him. They sing around him.)

Solo: Long ago when times were hard.
We made a deal with the Dragon guard.
We said, “Don’t hurt us and we will be
The source of your food.”
Could be you. Could be me.

All: We’re gonna’ feed the Dragon!
We’re gonna’ feed the Dragon!
We’re gonna’ feed the Dragon!
It’s hungry and we know it.
We’re afraid but we won’t show it!

**Gonna feed the Dragon!
We’re gonna’ feed the Dragon!
We’re gonna’ feed the Dragon!
And save ourselves today.**
